Learning this week

We have had lots of exciting visitors during feeling good week!

On Monday Crick Crack theatre joined us for some story telling activities. This inspired us to write our own stories. In the afternoon we were lucky enough for year 6 to come and share some of their fantastic stories with us.

On Tuesday we learnt some circus skills. It was lots of fun and we definitely had to use our growth mind set!

We were lucky to have a visit from Edward's dad who shared his knowledge of how rocks are formed with the children. Following on from that we were also fortunate to be able to have an impromptu forest school session where the children investigated different soils for our science topic.

Wet Weather

Please can you remember to provide your children with wet weather clothes to keep in school so that they always have the chance to go outside.

Handwriting

We are teaching the children the cursive script in school. If children are ready, they are now being taught to join some letters. On the back of this newsletter is a copy of our cursive script so that you can reinforce this at home. As you can see very letter starts on the line with a 'tail in' and finishes with a 'tail out' (ready for joining). All letters should be in proportion to each other with clear ascenders (tall lines e.g. l, t, k, b, d, h, f) and descenders (lines that go below e.g. p, q, g, y, f, j).

A Time to Shine
