Learning this week

This week the children looked at symmetry in maths and designed their own symmetrical Christmas Tree.

In English the children thought about how to extend their sentences using a variety of conjunctions. They used this skill to write facts about Christmas around the world.

Continuing with this theme the children enjoyed spending Thursday morning in their family groups learning about Christmas Traditions in a specific country.

Christmas party

The KS2 Christmas party will take place on Tuesday 20th December. All children will need to bring party clothes to change into and a plate of covered party food.

Forest Schools.

Just a reminder that year 3 will be attending Forest Schools after the Christmas holidays. Children will need to bring their outdoor clothing to school to change into. We are really looking forward to it!

Christmas Lunch

Just a reminder that Christmas Lunch will be served to children on school lunches and those who have requested a "one off" lunch next week on Tuesday 20th December.

Parent volunteers

If there are any parent's who would be able to come in and read with children or help in any other areas of the curriculum please let us know.
